

Medium Term Plan for Year 2 Theatre & Performance Autumn term 2nd half 2016

	English	Science Building Circuits	History	Music	D&T	Art & Design	Computing
	NB Topic Literacy is only a part of the English covered.						
Week 1 31.10.16	Halloween riddles Onomatopoeia – Bonfire night poems.	Learning Intentions: Identify appliances that run on electricity	Learning Intentions: To learn about the life story of a significant historical figure Guy Fawkes – Watch video. Sequence story	Learning Intentions: I can sing creatively and expressively Begin learning songs for performance		Learning Intentions: To use painting to develop & share experiences, ideas & imagination Bonfire paintings: mix paint colours: blow paint, glitter, splatter paint & Brusho dropping	Learning Intentions: To learn about the life story of a significant historical figure To recognise common uses of ICT Play Guy Fawkes games on BBC website Learning Intentions: To understand what algorithms are: write & test simple programs small group work in suite
Week 2 7.11.16	Remembrance Day	Learning Intentions: Know electrical safety	Learning Intentions: To learn about events that are within living memory Watch Magic Grandad video on Remembrance Day. Discuss children’s own understanding of the Day.	Learning Intentions: I can sing creatively and expressively Performance songs	Learning Intentions: To design purposeful, functional appealing products based on design criteria Design & make a theatre for puppets. Make stick puppets.		Learning Intentions: To learn about events that are within living memory To recognise common uses of ICT Investigate Espresso website for facts about Remembrance Day. Learning Intentions: To understand what algorithms are: write & test simple programs small group work in suite
Week 3 14.11.16	INTRODUCTION: What is a theatre?	Learning Intentions: Recognise the need for a power source and a circuit to make an appliance work	Learning Intentions: To ask and answer questions about a range of historical sources Look at Victorian puppet theatres.	Learning Intentions: I can sing creatively and expressively Rehearsals for Christmas performance.	Learning Intentions: To design purposeful, functional appealing products based on design criteria Design & make a theatre for puppets. Make stick puppets.		Learning Intentions: To understand what algorithms are: write & test simple programs small group work in suite
Week 4 21.11.16	Label diagram of theatre. Make lists of materials & tools required for topic work.	Learning Intentions: Identify both the component and its symbol in a simple circuit		Learning Intentions: I can sing creatively and expressively Rehearsals for Christmas performance.	Learning Intentions: To select from & use a wide range of material and components according to their characteristics Design & make a theatre for puppets. Make stick puppets.		Learning Intentions: To understand what algorithms are: write & test simple programs small group work in suite
Week 5 28.11.16	Tuesday pm: Tree Dressing Read play scripts. Role play.	Learning Intentions: Build simple closed series circuit		Learning Intentions: I can sing creatively and expressively Rehearsals for Christmas performance.	Learning Intentions: To select from and use a range of tools and equipment to perform practical tasks eg cutting, shaping joining and finishing. Design & make a theatre for puppets. Make stick puppets.	Learning intention: To choose appropriate materials and techniques for a given project. Make cards & calendars.	Learning Intentions: To understand what algorithms are: write & test simple programs small group work in suite
Week 6 5.12.16	Wednesday: Red & Green Day Friday am: Pantomime at Middlesbrough Theatre ?day pm: performance ?day am: performance	Learning Intentions: Build simple closed series circuit		Learning Intentions: I can sing creatively and expressively ?day pm: performance ?day am: performance	Learning Intentions: To select from and use a range of tools and equipment to perform practical tasks eg cutting, shaping joining and finishing. Design & make a theatre for puppets. Make stick puppets.	Learning intention: To choose appropriate materials and techniques for a given project. Make cards & calendars.	Learning Intentions: To understand what algorithms are: write & test simple programs small group work in suite
Week 7 12.12.16	?day pm: Xmas party					Learning intention: To choose appropriate materials and techniques for a given project. Make cards & calendars.	Learning Intentions: To understand what algorithms are: write & test simple programs small group work in suite
