

Year 3 Homework Spring 1

This term our learning topic 'Scrumdiddlyumptious' - is all about different types of food, where our food comes from as well as learning about a variety of foods (and tasting them!). Below are 6 different activities for you to try and complete. We would like you to complete a minimum of 4 activities before February half term if you can. You may choose which order you complete the tasks in. Simply put a tick in the box for the week you have completed and date it. Remember to bring your homework back to school once any piece is completed and make sure you have your name on it. We will celebrate excellent homework and effort by awarding prizes in our end of term celebration assembly.

Don't forget to keep reading, practising your spellings and times tables as these are still a priority.

Task 1

Make a diary of the food you eat for a week including breakfast, dinner and tea!

Task 2

Can you find some foods that come from 5 of these countries?

Italy, Spain, India, Kenya, China, Morocco, Brazil and/or Turkey.

Task 3

What is the cost of your favourite meal?
Make a list of ingredients with prices.

Task 4

Interview an older member of your family about their favourite sweets when they were a child.

Task 5

Design an advertisement poster for a new type of sweet.

Task 6

Look at the artist Giuseppe Arcimboldo. Can you design a portrait of yourself using fruits, vegetables and flowers? You can make a collage using real fruits and take a photograph, draw one or even use a food magazine to cut and stick!
