

Homework for Year 4

Spring 1st half term

This half term our learning topic is A Child's War. This is all about World War Two, from a child's point of view. Reading, Spelling and Tables are still our school priority and they must be completed every week. In addition to this, all six activities need to be completed. There is a selection of activities and you may choose which order you complete them in. Put a tick in the box and write the date when you have finished an activity. Bring your homework book into school to share what you have done by Friday 10th February 2017. We will celebrate excellent homework in our celebration assembly and award prizes for outstanding effort.

<p>Find six images of the local area during World War 2. Create a scrapbook and write a caption for each one.</p>	<p>Create an invitation to a VE day street party.</p>	<p>Talk to friends or family about their war-time experiences. Write down their responses.</p>
<p>Children played different games during World War 2. Find out about the kinds of games they played and try the safe ones yourself! Which was the most fun? Are any still played today?</p>	<p>Children were able to recognise aeroplanes by their outline in the sky. Look out for different models of aeroplanes that we have at present. How many different kinds can you see?</p>	<p>Make do and mend! Can you revamp some of your old clothes to make new clothes? Maybe you could upcycle some unwanted household items and make them useful in a whole new way! Bring them into school to show your classmates and share your ideas.</p>
