

# Homework for Year 4

## Spring 2nd half term

This half term our learning topic is Road Trip USA. This is all about the United States of America. We will be following the route taken by the famous road known as Route 66, and comparing it with our own A66. Reading, Spelling and Tables are still our school priority and they must be completed every week. In addition to this, all six activities need to be completed. There is a selection of activities and you may choose which order you complete them in. Put a tick in the box and write the date when you have finished an activity. Bring your homework book into school to share what you have done by Friday 31<sup>st</sup> March 2017. We will celebrate excellent homework in our celebration assembly and award prizes for outstanding effort.

List and find all the American states.	Research American music from 1940s to now. Make a playlist of your favourite American songs from each decade (ten years). You must include 2 from each decade, and write the date, title and artist.	Draw a night time skyline of any major cities in the USA.
Write a postcard home from an imaginary visit to one of the cities in the USA.	You hire a car in Chicago that does 30miles to the gallon. How much petrol will you use driving the entire route of Route 66. If petrol costs 90c per gallon, how much would this cost.	Make a Native American dream catcher.
