Homework.

Your child will continue to receive a homework sheet which will consist of various tasks to be completed over the next half term.

There are nine activities and we would expect six of these to be completed. Your child can choose which tasks they complete and also how regularly they hand in a piece of work.

They will be rewarded with small prizes for completing 6 pieces of homework and the chance to go into a prize draw at the end of the term.

In addition to this, they will continue to receive spellings, times tables and reading tasks.
