

Year One at work

Spring 1 2017

In Science we will be collecting weather data and investigating the weather in different seasons.

Welcome back to Year 1

We have lots of exciting things planned this half term, beginning with a trip to Sutton Bank where we will have a splendid view of the skies and watch some gliders in action! We look forward to working with your children

"I never get tired of the blue sky"
Vincent Van Gogh

DT lessons will focus on the children designing and creating kites.

Ms Lunn, Miss Sleight & Miss Mount

Our topic this term is 'Splendid Skies'

In Geography we will be learning about seasonal changes, writing postcards and locations of hot and cold countries around the world.

In History we will be learning about Sir Francis Beaufort and his work with wind speeds.

Dates for your diary:

Tuesday 3rd January 2017.

Term begins. Doors open at 8.50am and are closed at 9.00am promptly.

Friday 17th February 2017

Break up for half term

Monday 27th February 2017

School opens for pupils

Friday 7th April 2017

Break up for Easter

Monday 24th April 2017

Start of summer term

You can help your child by:

- Listening to and encouraging them to read regularly. You could visit the library to find books on weather, gliding, balloons or kites.
- Encouraging them to observe and record their ideas using pencil, paint, pens and other creative materials. We would love to see any work they do and we will display it on our learning wall.
- Flying a kite at the beach or in the park or watching a hand held windmill.
